## WHAT TO DO in the event of an ACTIVE THREAT

### RUN.

- If possible, evacuate immediately.
- Leave your belongings behind.
- Keep your hands visible.
- Help others escape, and run regardless of whether others agree to follow.
- As soon as it's safe to do so, call 9-1-1.

### HIDE.

- If you can't evacuate, hide out of the shooter's view.
- If you are inside, secure the door by locking it or tying down the door knob or door arm with anything you have.
- Barricade doors and windows with furniture.
- Close blinds, turn off lights, and silence cell phones.
- As soon as it's safe to do so, call 9-1-1.

### FIGHT.

- As a last resort and only if your life is in imminent danger, fight back.
- Attempt to incapacitate the shooter by throwing items or using improvised weapons like office equipment.
- Work with those around you, commit to your actions, and anticipate your next move.
- As soon as it's safe to do so, call 9-1-1.

**As soon as it's safe to do so,  
call 9-1-1 first then call LMU Public Safety.**

### ***When law enforcement arrives:***

- Remain calm and follow instructions.
- Put down anything in your hands.
- Raise hands and spread fingers. Keep hands visible at all times.
- Avoid quick movements. Avoid pointing, screaming, or yelling.
- Don't stop to ask officers for help or direction when evacuating.
